Residents address town board:

Brenda asked about the culvert that is in the parking lot of the county land that is next to her property. A new culvert was put in; it heaved up causing the water to go over the road. Trevor will look at the culvert.

Cedric asked if Shawn talked the land owners on the corner of Camp and X. Shaw has talked to them and has permission to cut the brush on their land.

The court date for the stolen road signs has been postponed to a later date.

The bank card has been cancelled due to it being breached

Cedric asked if there are any plans to update the comprehensive plan for wind and solar. It was last updated in October 2024.

Shawn will contact and coordinate some people to help cut trees and brush from the right of way.

Cody singer asked if it would be ok to go with a 15-inch culvert for his driveway. The town is ok with that.

Trevor made a motion to change the verbiage on the driveway permit application to state that the town standard is 18 inches, but it's up to the town board members discretion. Shawn second the motion, Steve not in favor.

Trevor mentioned that there are two culverts on Ledebuhr that need material added to the top because when grading the blade is hitting the top of the culvert. We should add 2 loads.
